Following the success of the Edmonton, Calgary and Ontario rental website ranking reports, Chris Davies and the Awkward Turtle Consulting Group are presenting a day long workshop to help educate real estate investors. Scores of questions from investors just like you have given shape to a curriculum that covers all the bases, from the complete

newbie searching for properties and tenants, to the seasoned veteran, raising millions of dollars in capital.

Come prepared to learn and share your own knowledge about marketing, real estate investing, social media and web design. You'll leave with a solid understanding of the basics of online marketing, social media, email marketing and how to track the success of your online efforts.
